

DRAWING FOR BALLOT POSITION – MAY 14, 2011 GENERAL ELECTION

Four identical 3"x5" plain white index cards were imprinted with one name each:

Each card was folded in half in the same manner with the name on the inside of the fold and not readily visible.

The cards were then placed in a plastic pail and tumbled.

The cards were drawn, by hand, one at a time at 5:15 p.m., March 14, 2011.

This is the order in which they were drawn from the plastic pail:

2. RICHARD ADAMS

3. CONNIE F RAMIREZ

I certify that this is a true and accurate accounting of the process and the order in which the names were drawn.
