Proclamation

Whereas, today's society is finding more citizens involved in motorcycling on the roads of our country; and,

Whereas, motorcycle riders now account for one out of every ten U.S. road fatalities each year - with motorcyclist deaths from traffic crashes rising each of the last eight years; and,

Whereas, motorcyclists are much more likely to be injured or killed in a crash than other vehicle drivers; and,

Whereas, it is the responsibility of all who put themselves behind the wheel, to become aware of motorcyclists, regarding them with the same respect as any other vehicle traveling the highways of this country; and,

Whereas, motorcyclists are often hidden in a vehicle's blind spot or missed in a quick look due to their smaller size. It's crucial that motorists always make a visual check for motorcycles by checking mirrors and blind spots before entering or leaving a lane of traffic and at intersections; and,

Whereas, campaigns have helped inform riders and motorists alike on motorcycle safety issues to reduce motorcycle related risks, injuries, and most of all fatalities, through a comprehensive approach to motorcycle safety; and,

Whereas, all motorists are reminded to safely "Share the Road" with motorcycles and to be extra alert when driving; and,

Whereas, we urge our community to become aware of the inherent danger involved in operating a motorcycle and give the operator the respect on the road they deserve;

NOW, THEREFORE, I, Kimberly Sanford, Mayor of the City of Shoreacres, do hereby proclaim the month of May 2017 as

"Motorcycle Safety & Awareness Month"

in the City of Shoreacres, Texas

Kimberly Sanford

Whereas, James Hurd will be missed by his wife of forty-five years, Ronna Hurd, his son Jason and wife Elise Hurd, grandchildren Selah, Alexa, Haylee, Ariyanna, and Levi, as well as his friends and neighbors in Shoreacres;

* * * * *

Whereas, Sections 2-82 of the City Code addresses the Norms of Operation.

Whereas, it has come to light that a "discussion item" was disallowed at recent public meeting under the chair's ruling that a discussion item requires a motion to ~~discuss~~ suspend the rules under Robert's Rules of Order.

Whereas, it was then declared by the chair that a motion to discuss was an improper motion under Robert's Rules of Order.

Whereas, it was then declared by the chair that a motion to suspend the rules was required to entertain the discussion item. The discussion item then failed because a motion to suspend the rules under Robert's Rules of Order requires a two thirds vote of council (and only a majority voted for the motion to suspend the rules).

Whereas, council is allowed to establish its own rules of order in conducting a public meeting.

Whereas, council considers a chair's ruling denying council the right to discuss a subject matter properly posted on an agenda to be against public policy. Council desires to achieve transparency through this amended Ordinance.

Whereas, council desires to amend sections 2-82 of the City Code;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SHOREACRES, TEXAS:

That section 2-82 of the Shoreacres City Code is hereby amended to read as follows:

Sec. 2-82. – Norms of operation.

(a) *Operation of city council meetings.*

(1) Any item in need of being placed on the agenda shall be submitted to the city secretary pursuant to agenda deadlines.

(2) The mayor or mayor pro tem will conduct an orderly meeting.

(3) Comments by the public will be limited to five minutes. The city secretary will monitor the time for each speaker with a timer that will sound after five minutes.

(4) Any changes to, or proposed city ordinances shall be scheduled on an agenda.

(5) Closed sessions of the city council meeting will be included in the business portion of the council meeting. After such closed session, council will reconvene to that scheduled meeting and take action on the closed portion of the meeting.

(6) Members of council shall not enter into a debate with a member of the public or staff at council meetings.

(7) Any concerns by a member of council over the behavior or work of a city employee during a council meeting should be directed to the city administrator in private or closed session to ensure the concern is resolved.

(8) City council agenda items that are continued from one meeting to another shall have preference on the agenda under the same agenda category.

(9) It is not necessary for all council members to speak or give their viewpoints on every issue. On critical or significant issues, however, council members are encouraged to make a statement about their vote if they vote outside the majority.

(10) Any correspondence or other materials received at a council meeting shall be submitted to the city secretary and be documented with a receipt date and time.

(11) Members of council shall not text message with each other, or with the members of the general public, during a council meeting.

(12) The mayor shall state each proposed motion in its final form for the city council, prior to council taking action on the agenda item.

(13) Any councilmember has the right to request a discussion item be placed on a public agenda. A discussion item only allows discussion of the posted subject matter, no action of council. Once the discussion item is read aloud by the chair, there is no requirement to make a motion to discuss. Further, there is no requirement to make a motion to suspend the rules under Robert's Rules of Order, requiring a two thirds vote of the city council to pass. After the discussion item is read aloud by the chair, the author of the discussion item shall have the floor to discuss the posted subject matter. WHEREAS, the jurisdictional deadline for the City to act in this rate matter is 60 days from the application date or June 5, 2017; and,

WHEREAS, the City will require the assistance of specialized legal counsel and rate experts to review the merits of CenterPoint's application to increase rates; and,

WHEREAS, CenterPoint failed to show that its proposed rate increase is reasonable and therefore the City has concluded that CenterPoint's proposed rate increase is unreasonable;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SHOREACRES, TEXAS, THAT:

Section 2. The City DENIES the rate increase CenterPoint filed on or about April 6, 2017.

AGENDA INFORMATION SHEET
ITEM NO. 7.5

DENIAL OF APPLICATION FOR APPROVAL OF A RATE INCREASE SUBMITTED BY CENTERPOINT ENERGY HOUSTON ELECTRIC AND AUTHORIZATION TO PARTICIPATE IN PROCEEDINGS AT THE PUBLIC UTILITY COMMISSION OF TEXAS

BACKGROUND

On April 6, 2017, CenterPoint Energy Houston Electric, LLC ("CenterPoint") submitted an Application for Approval of a Distribution Cost Recovery Factor ("DCRF") to increase its annual revenues by approximately $44 million and proposes to implement this increase on September 1, 2017. CenterPoint's application affects all retail electric providers ("REPs") serving end-use retail electric customers in CenterPoint's service-area and will affect the retail electric customers of those REPS to the extent the REPs choose to pass along these charges to their customers, which we expect REPs to attempt to do.

This is CenterPoint's third DCRF filing. A DCRF permits CenterPoint to include in its rates distribution investment that occurred after the conclusion of its most recent comprehensive base rate case, Docket No. 38339, which had a test year ending December 31, 2009.

A DCRF filing is a streamlined single-issue proceeding outside of a comprehensive base rate case that moves very quickly. The Commission's rules dictate that September 1, 2017, absent good cause, is the effective date for new rates. This means, absent good cause, the case will be resolved in approximately 150 days. Discovery is also very limited allowing parties to serve, absent good cause, no more than 20 requests for information and requests for admissions of fact.

REPRESENTATION

The law firm of Herrera & Boyle, PLLC (through Mr. Alfred R. Herrera) has previously represented the Texas Coast Utilities Coalition ("TCUC") in rate matters involving CenterPoint Energy. Similarly, the firm of Herrera & Boyle, PLLC has represented other Texas cities dealing with rate case matters, therefore providing a depth of experience in dealings with CenterPoint and the Public Utility Commission of Texas ("Commission").

RATE CASE EXPENSES

Cities, by statute, are entitled to recover their reasonable rate case expenses from the utility. Legal counsel and consultants approved by the City will submit monthly invoices to the City that will be forwarded to CenterPoint for reimbursement.

INTERVENTION AT THE PUBLIC UTILITY COMMISSION OF TEXAS AND COURT PROCEEDINGS, IF ANY

CenterPoint Energy filed its Application for Approval of a DCRF with the City on the same date it filed its application with the Public Utility Commission of Texas. It is important to participate in the Commission's proceeding because its final decision may impact rates within the City. Thus, the accompanying Resolution authorizes intervention in proceedings at the Public Utility Commission of Texas (PUCT), including any appeal of the City's decision on rates.

TCUC intervened in the PUCT proceeding regarding the DCRF application CenterPoint filed with the PUCT and the TCUC Cities last year on about April 8, 2016. In that request, CenterPoint sought an increase of about $61 million and through TCUC's efforts, CenterPoint settled for an increase of $45 million, a reduction of about 27% less than the increase it requested.

ACTION: DENIAL OF CENTERPOINT'S PROPOSED RATE INCREASE

Although this is CenterPoint's third DCRF application it may contain novel or unreasonable proposals and therefore should be carefully reviewed. The City only has 60 days to act on CenterPoint's request. If the City has not acted within 60 days, the application is deemed denied and appealed to the PUCT to be consolidated with the DCRF proceeding pending at the PUCT.

The application was filed on April 6, 2017; therefore, the City has until June 5, 2017 to act. It is virtually impossible for the City to set just and reasonable rates before the expiration of City's jurisdiction at the 60-day mark. Denial does not preclude the City's special regulatory counsel and experts an opportunity to perform a review of CenterPoint's application and request additional information as necessary to fully evaluate the proposal and determine the most appropriate response. Further, a denial will not eliminate the possibility of resolving the proceeding through settlement.

RECOMMENDATION

It is recommended that the City deny CenterPoint's application to increase its DCRF rates.

It is also recommended that the City retain the law firm of Herrera & Boyle, PLLC to represent the City's interest in matters related to CenterPoint's DCRF filing and to advise the City with regard to CenterPoint's application, and that the City intervene in the proceeding before the Public Utility Commission of Texas, and represent the City in appeals, if any, regarding CenterPoint's application.

The City must take action no later than June 5, 2017, but it is recommended that the City take action as early as possible to allow for full participation in proceedings before the Public Utility Commission of Texas.
